INTERVIEWS, PUBLICATIONS & PUBLISHED ARTICLES

“Getting The Word Out”, published in *The Journal of School Safety*, official publication of the National School Resource Officer Organization, Spring, 2010 edition. Article discussed effective ways and tactics school resource officers from across the country can use when teaching drug identification and trends. Article focused on websites of interest, to be used a resources to SRO’s to assist in

gathering information when presenting drug-related materials to parents, students, and fellow officers.

“Hooked on Huffing: Inhalant Use and Abuse”, published in *The Journal of School Safety*, official publication of the National School Resource Officer Organization, Winter, 2009 edition. Article discussed current inhalant use and abuse trends and alerts, ways to identify signs and symptoms of inhalant drug use, and products that are being “huffed”.

“Heroin and Opiates in the Suburbs”, published in *The Journal of School Safety*, official publication of the National School Resource Officer Organization, Summer, 2009 edition. Article discussed current opiate drugs abused by youth and adolescents, ways to identify signs and symptoms associated with the drug use, and an overview of heroin.

“Marijuana and Absorption – What’s Really Going On”, published in *The Journal of School Safety*, official publication of the National School Resource Officer Organization, Spring, 2009 edition. Article discussed current information regarding marijuana use and ways to identify signs and symptoms associated with the drug use.

“Abusing Over-The-Counter and Other “Safe” Drugs”, published in *The Journal of School Safety*, official publication of the National School Resource Officer Organization, Winter 2008 edition. Article discussed current over-the-counter drugs abused by youth and adolescents, ways to identify signs and symptoms associated with the drug use.

“Marijuana and Absorption”, published in *The Liaison*, Spring (May) 2008, the Wisconsin School Resource Officer Association newsletter. The article featured and explained the typical signs of marijuana use and explained how quickly marijuana can be absorbed into the human body. Suggestions about how to assess a possible impaired person were also noted.

“Speedbusters Ride with Glendale Police”, aired on WTMJ – Milwaukee, on February 11th, 2008. Assisted reporter in demonstrating and explaining the problems associated with speeding and how it relates to traffic crashes. Officers participated in a traffic saturation program along busy highway in Glendale.

“DXM, Robo, “Skittling”?” published in *The Liaison*, the Wisconsin School Resource Officer Association newsletter, published December, 2007. Article features an explanation of the depressants being abused by teens and adolescents. Specifically, Dextromethorphan is contained in numerous products available to adolescents and is easy to obtain. Ways of identifying those who abuse or use were also offered.

“Officer, Is This Student High?”, published in *The Liaison*, the Wisconsin School Resource Officer Association newsletter, published October, 2007. Article features suggestions for SRO officers on how to identify a student or adolescent who might be impaired.

Interviewed by Ladies Home Journal Magazine, October 16th, 2007, for drug and gang-related article to be published.

“Do You Know Your Limits?”, aired February, 2007, Today’s TMJ4 NBC affiliate, Milwaukee, Wisconsin. Story aired statewide on NBC affiliates. Story featured the dosing and alcohol levels of four different individuals and their varying breath alcohol levels.

“Prescription Drugs and Drugged Driving”, aired May 2nd, 2006, Today’s TMJ4 NBC affiliate, Milwaukee, Wisconsin. Story features effects on using prescription drugs and driving, as well as the legal aspects involved in Wisconsin’s OWI laws.

“Being Safe on the Internet and MySpace.com”, published May, 2006, Nicolet High School’s *Knight’s Pages*.

“Using a DRE in High Schools”, published April, 2004, Council of Educational Support Professionals, Association of Wisconsin School Administrators *Reporter*, a quarterly newsletter for members

“What Every Parent Needs To Know About Inhalants”, published November 15th, 2005, as the featured article in the North Shore Kids Safety Network newsletter to North Shore parents.

“.08 Drunk Driving Awareness Story”, aired April, 2003, Today’s TMJ4 NBC affiliate, Milwaukee, Wisconsin. Story examines effects of alcohol in individuals and differences amongst people, also attempts to compare .10 BAC standard to new and proposed .08 BAC standard in Wisconsin.

“How much is too much?”, aired August, 1999, on Fox 6 Milwaukee, FOX affiliate in Milwaukee, Wisconsin. Story aired all evening in different segments featuring the alcohol progression and effects on an individual in a closed environment.
